

Exclusive Offers to Suit your Style and Taste Buds Only available in June, July and August

Love Black Truffles as much as we do?

We are fortunate to have found these beauties in Hawke's Bay. Join us for an exclusive Truffle Hunt and have a taste of these delicious underground treats. Fresh Truffles are

only in season during June, July and August so use this opportunity to treat yourself and your loved ones to this unique and wonderful experience. Sacre Monte Truffles will demonstrate with their dog Bear how the Truffle is found, and you can have a go at digging it up. Learn about where it is found, its specific environment and how it grows.
