

## THE SPIRE – QUEENSTOWN

### *LUXURY IN THE HEART OF A LIVELY CITY – THE SPIRE HOTEL SUITE ROOMS*

We believe luxury doesn't have to compromise vibrancy. Contemporary by design with a distinctly artistic feel, The Spire Hotel is luxuriant comfort and superior service, in the heart of a lively city.

Centralised and boutique, the hotel's exterior is framed by stunning Queenstown scenery. Inside, our suites are tailored for leisure, fitted with stylish amenities for ultimate relaxation and luxury. The Spire features ten spacious rooms, each with a super king or twin single beds, stone-clad fireplace, multimedia systems, large balcony and spacious bathroom facilities. Complimentary snacks and soft drinks, juices, bottled water and our signature turndown.

The rooms are identical in design and layout, differentiated by their outlook. The Laneway Suites are ideal for those with an appreciation of spirited cities, overlooking the walkway beneath, while the Spire Suites look over St Peter's Church and gardens and the Deluxe Suites enjoy partial lake and mountain views.

Lead by Head Chef Trent Watson, No5 Church Lane features handcrafted dishes and locally sourced produce, drawing inspiration from near and far to serve food that is both traditionally Kiwi and internationally influenced.

No5's dining service is constantly evolving, reflecting our commitment to fine food and innovation. Watson has previously won awards for his experimental and meat-based dishes, including the New Zealand inspired Te Anu Lamb and Beef. Staying conversant with food and service trends, our latest menu reflects a diversion from Queenstown's meat-focused scene. Our chefs have created a range of exceptional vegetarian and plant-based dishes, the broad offering of which has earned No5 Church Lane an esteemed reputation as a meat-free

dining destination. The addition of innovative vegetarian dishes adds to a menu of outstanding locally-sourced produce and reimagined traditional New Zealand cuisine. The No5 restaurant's close counterpart is its adjoining bar. Frequented by our guests and Queenstown revellers alike, the bar is headed by Assistant Food and Beverage Manager Shaun White. White's influence has ensured the menu features hand-selected Central Otago wines and a signature cocktail listed revered for its use of fine spirits and locally-produced ingredients. No5 also offers a premium spirit selection and an array of boutique New Zealand artisan beers.

Before 5 at No5 is our all-day Happy Hour with specials on our classic range of cocktails and snack menu until 5:00 pm.

No5 Church Lane is open daily from 7:30 am until 10:00 pm for breakfast, lunch and dinner.
